CAN High Interest Savings 75/100 (P)

March 31, 2026

Commentary and opinions are provided by Canada Life Investment Management Ltd..

*For Partner series and Preferred partner series an advisory and management services (AMS) fee, of between 0.50% and 1.25%, is negotiated between you and your advisor. The MER doesn't include this fee.

Canada Life is currently waiving a portion of the investment management fees on the High Interest Savings fund to target an estimated management expense ratio of 1.00%. Canada Life is not obligated to continue waiving these fees and it may cease to do so at any time without notice.

The 7-day annualized yield is based on the annualized total return of the fund over the past seven calendar days and does not represent an actual one-year return. It's important to note that 7-day annualized yield is not an indicator of future performance of the fund.

^Deferred Sales Charge (DSC) purchase option is not available for new contributions given regulatory bans that came into effect June 1, 2023. For certain policies where DSC is the only sales charge option available, new contributions may be accepted. Additional disclosure may be required.

†Soft capped - Contributions are no longer accepted to new investors., ‡Hard capped - Contributions are no longer accepted.

Distribution of the chart, history standard and short-term reports are not permitted without including the fund profile long-term report. A description of the key features of Canada Life's individual variable insurance contract is contained in the information folder, available from your advisor. Any amount that is allocated to a segregated fund is invested at the risk of the policyowner and may increase or decrease in value. A description of the key features of Canada Life's individual variable insurance contract is contained in the information folder, available from your advisor.
